

**Privacy is the
new luxury**

A small revolution on a Large Scale

With BNXT, you control your personal information, protecting your privacy. **Privacy and security are rights, not privileges.** Our approach prioritizes increased **privacy and security, transparency,** and **user-friendliness.** We're dedicated to building a **collaborative community** and delivering a technically sound and secure platform. With BNXT, you have the power to be the best version of yourself while maintaining privacy and anonymity. BNXT empowers you to determine the sharing of personal information, safeguarding your privacy

About company

BE NEXT Sp. z o.o. (limited liability company) (KRS: 0001029812) has obtained registration in the virtual currencies register under Art. 2(1)(12) of the Act of March 1, 2018, on counteracting money laundering and terrorist financing and is therefore (“the AML Act”) an obligated institution and operates in accordance with international anti-money laundering regulations. This document does not constitute an offer to sell, does not encourage investment, nor does it encourage an offer to purchase \$BNXT tokens. This document is for informational purposes only.

All information regarding the purchase of \$BNXT tokens is available at: bnxt.network

Shift the Paradigm with BNXT

BNXT is all about empowering individuals and creating a community that works together to achieve a common goal. Our platform is designed to bring people together and encourage collaboration. We decided to divide our project into two-step approach which will give us an opportunity to build a one of a kind **community**, before introduction of our **integrated product ecosystem**.

PHASE 1: Community

At BNXT Network, we value the strength and synergy that comes from a thriving community. **Join us in reshaping the future of digital interactions and be part of a vibrant community that values growth, collaboration, and mutual success.**

Participate in our main big contest by taking part in the pre-sale

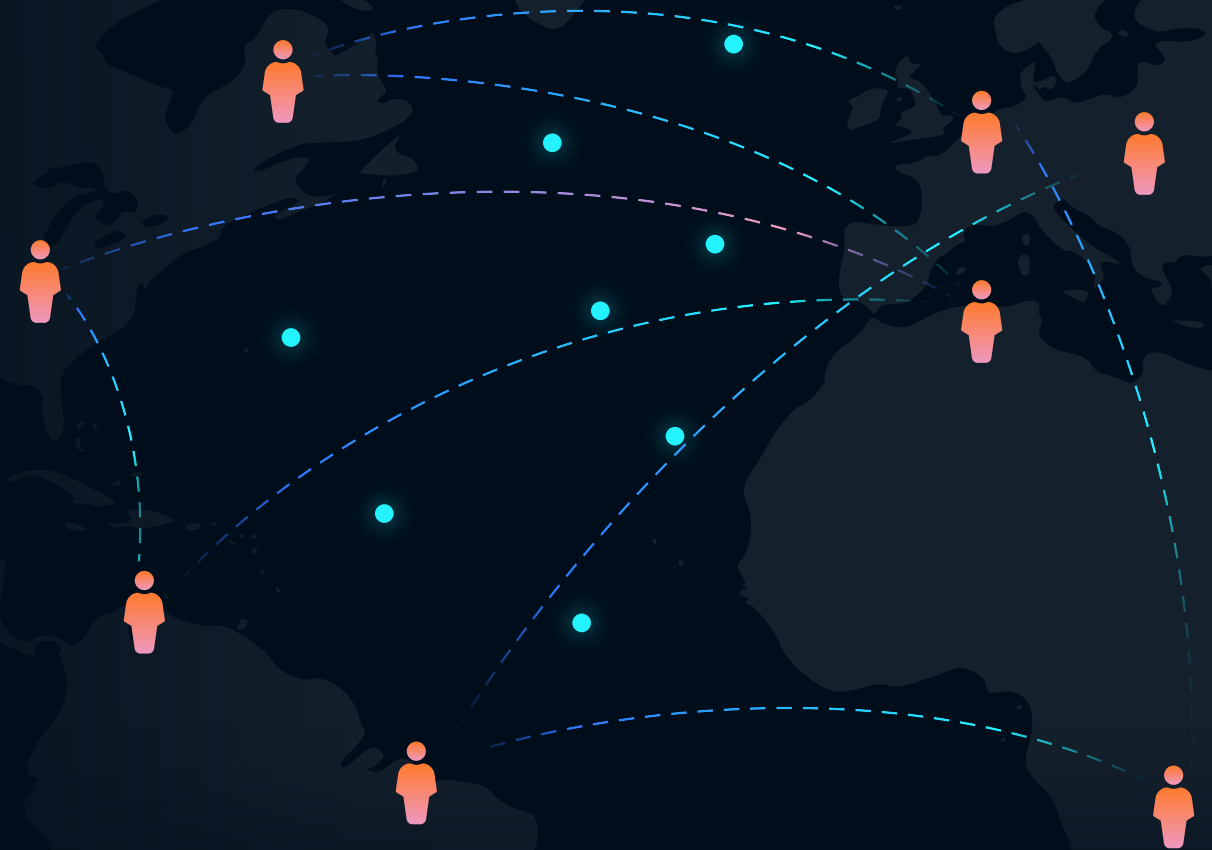

Win exclusive prizes, gadgets and services

Contribute to our community growth by engaging within ecosystem and transacting with BNXT tokens

Introduce your friends, family, and acquaintances to the network and earn more

PHASE 1: Community

Join us to shape the future together on the **Binance Smart Chain (BSC)** blockchain, unlocking new opportunities and realizing your potential.

- Purchase a BNXT starter pack for \$100, containing 100 BNXT tokens each
- Fair Play principle allows you to buy up to a maximum of 10 starter packs per wallet
- Earn rewards in exchange for 10% fee
- Limited emission of 4 million community tokens in phase-one
- 40 million BNXT tokens for rewards and community development

1 starter pack = 100 BNXT = \$100

**1000
BNXT**

= \$1000

**Maximum
per wallet**

PHASE 1: Community

At BNXT Network, we believe that a strong community is the source of success. By buying at least one starter pack, you get a unique opportunity to take part in our competition and win a Mercedes-Maybach S 580 4MATIC Business Class or one of the other prizes. The terms of the competition will be announced in the regulations.

By being an active member of the BNXT community, you have the opportunity to win a luxury car or \$250,000 in cash. By actively participating in our community and transacting with BNXT tokens, you not only contribute to the growth of the ecosystem, but also increase your chances of being included in the main competition

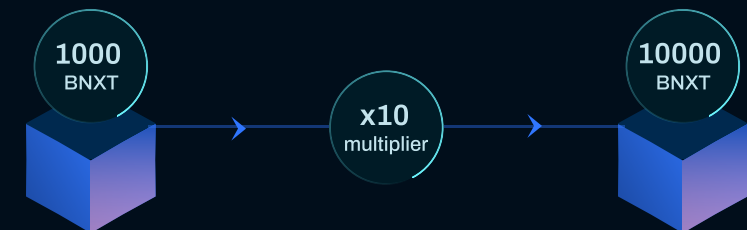

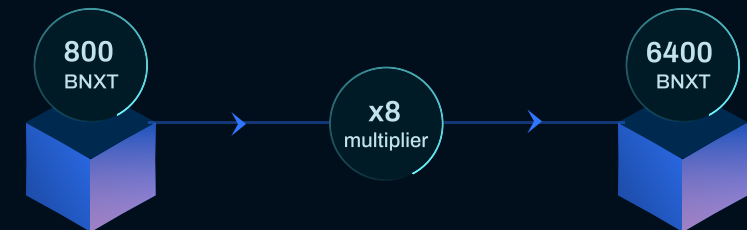

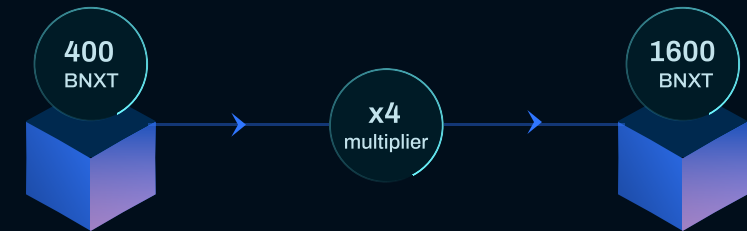

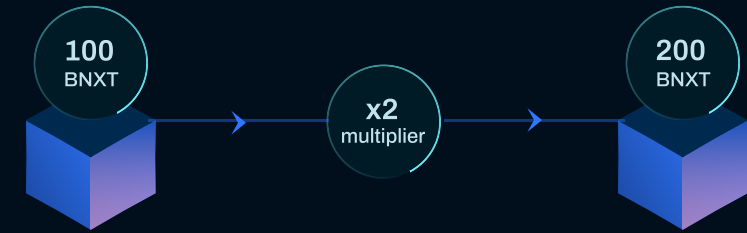

PHASE 1: Community

One-time bonus multiplier

1 BNXT = \$1

Starters amount	Initial wallet balance	One-time bonus multiplier	One-time bonus reward	Fee paid	Final wallet balance
1	100	2	100	\$10,00	200
4	400	4	1200	\$40,00	1600
8	800	8	5600	\$80,00	6400
10	1000	10	9000	\$100,00	10 000

- Works until 40 000 starters are sold
- Multiplies your starters by the number of starters you purchased
- You can use it once
- You can multiply it for 10% fee of the reward equivalent

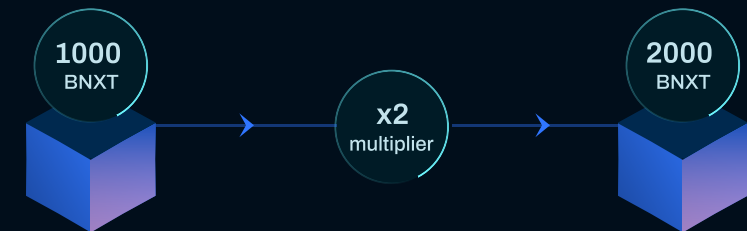

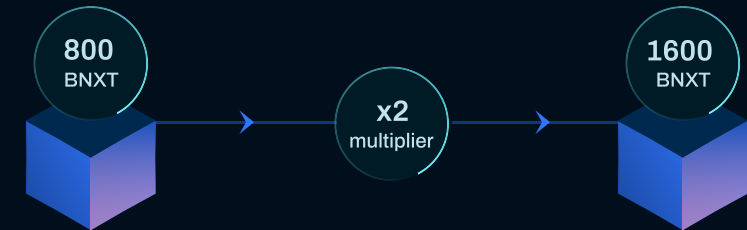

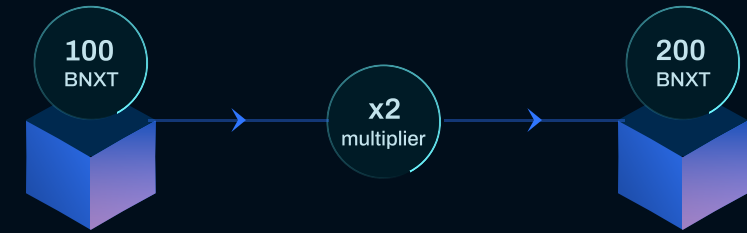

PHASE 1: Community

Global multiplier

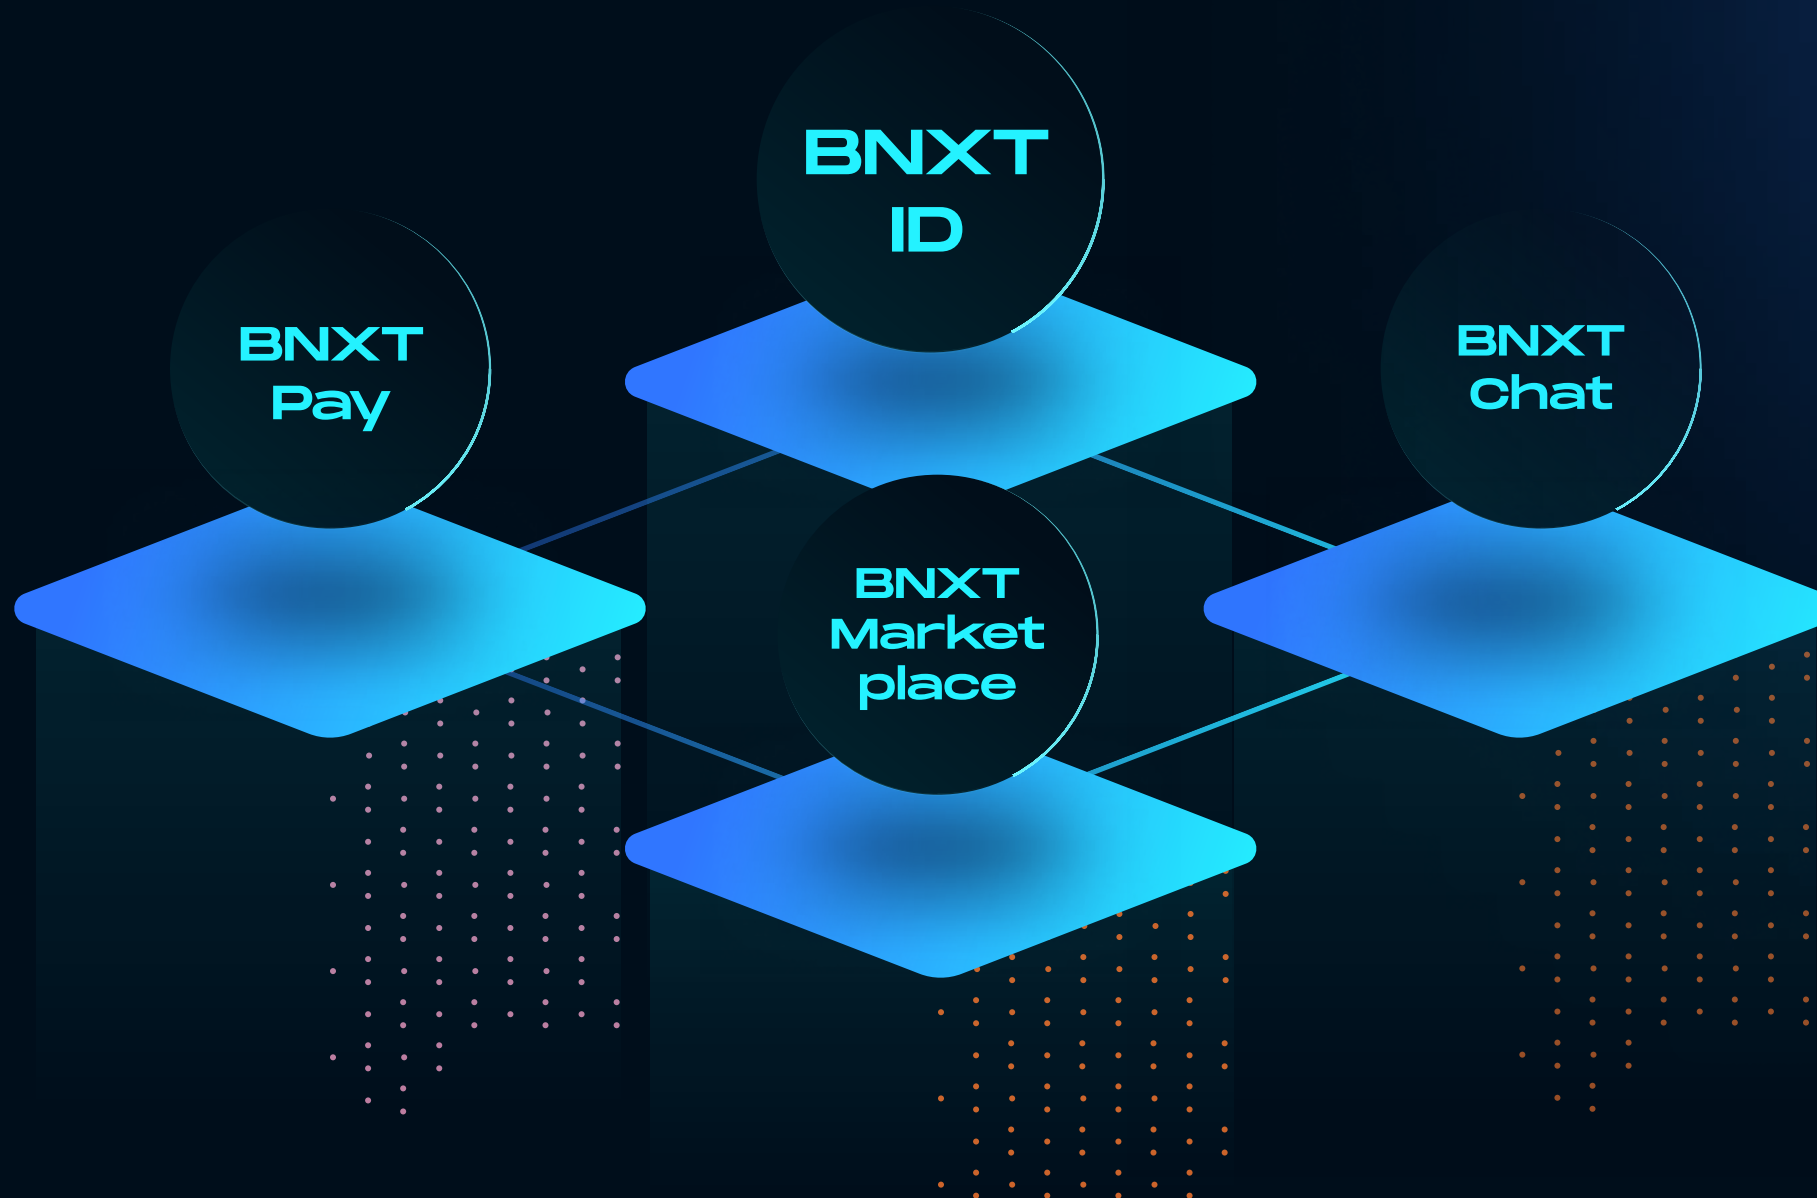

1 BNXT = \$1

Initial wallet balance	Global multiplier	Regular reward	Fee paid	Final wallet balance
100	2	100	\$10,00	200
400	2	400	\$40,00	800
800	2	800	\$80,00	1600
1000	2	1000	\$100,00	2000

- Works after 40 000 starters are sold
- Multiplies your starters x2
- You can use it as many times as you want
- You can multiply it for 10% fee of the reward equivalent

PHASE 2: Integrated product ecosystem

PHASE 2: Integrated product system

BNXT ID

BNXT ID is your digital alter-ego that can engage, transact, and interact without ever compromising your real identity. It's a virtual persona that shields your real identity, giving you the freedom to operate online with complete anonymity

- Customers can use BNXT ID for delivery services - safeguarding personal information
- Implementing BNXT IDs helps businesses protect customer data, avoiding legal expenses, revenue loss and damage to brand reputation
- Users have control over their personal information, minimizing the risk of privacy breaches
- BNXT ID integrates QR codes for easy access to user profiles
- Get 10% discount on our partnering company's products by using your BNXT ID during the purchase

PHASE 2: Integrated product system

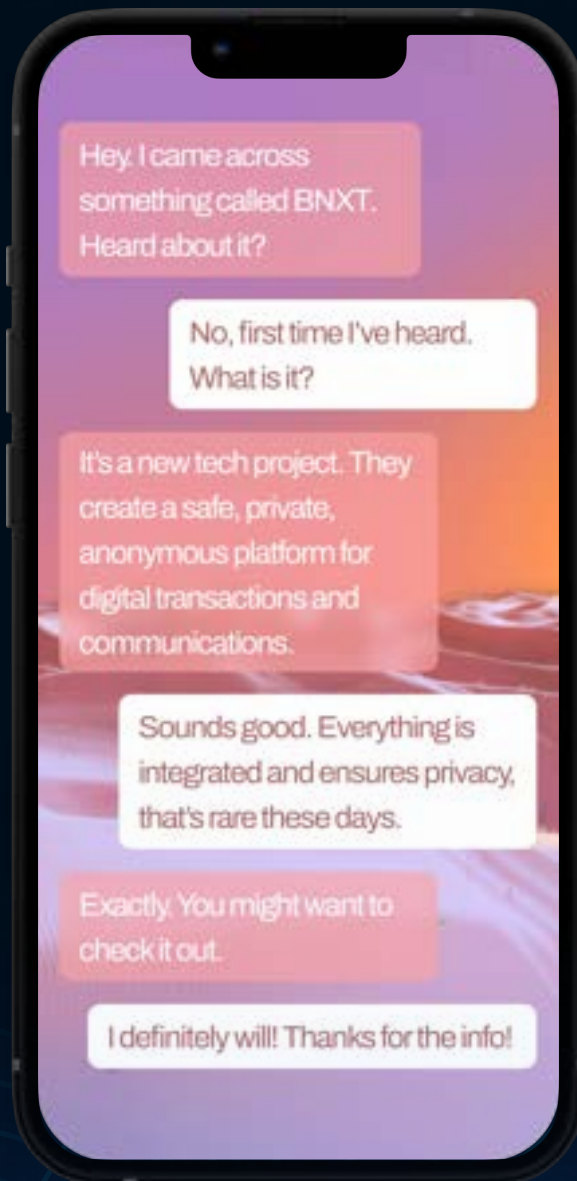

BNXT Pay

BNXT Pay is a payment system where every transaction is anonymous. It provides the assurance that with every digital coin spent, your privacy is well hidden paramount. It's more than just a payment system, it's a commitment to transactional privacy.

- BNXT revolutionizes global payments with BNXT Pay, combining BNXT ID, virtual wallets and blockchain-based virtual payment cards
- The vision is to establish a groundbreaking payment system for secure and effortless digital transactions while maintaining highest level of privacy
- Virtual wallets give users full control over their funds, enabling easy storage, management and transfers
- Blockchain-based virtual payment cards enhance transaction security and efficiency

PHASE 2: Integrated product system

BNXT Chat

BNXT Chat is a communication platform where your conversations are encrypted and for your eyes only. It lets you engage in a realm where privacy is the rule, not the exception, ensuring that your exchanges stay as private as they should be

- BNXT Chat offers a secure and private alternative for communication.
- Messages are end-to-end encrypted, ensuring confidentiality and protection
- Only the sender and recipient can access the content of conversations
- No unauthorized third parties, including BNXT, can intercept or decipher messages
- BNXT Chat is integrated with the BNXT Marketplace, enabling direct communication between buyers and sellers
- It provides a private and convenient channel for inquiries, price negotiations and assistance with purchases.

PHASE 2: Integrated product system

BNXT Marketplace

BNXT Marketplace: marketplace where anonymity is guaranteed with every trade. Here you can buy or sell goods with confidence, fully assured that your identity will remain concealed throughout the transaction.

- BNXT Marketplace allows you to buy and sell wide range of products and services
- Sellers on the marketplace require a paid subscription, ensuring a trusted community dedicated to privacy and security
- A secure environment is created for browsing, purchasing, and communicating with sellers without compromising privacy.
- Personal details are encrypted and securely stored, inaccessible to unauthorized third parties

Subscription-based access to the entire BNXT ecosystem

- Subscribers have access to exclusive services and benefits
- Payment options include BNXT tokens or fiat currency
- Fiat payments are seamlessly converted to BNXT tokens at a fixed exchange rate
- Initially, access to the app and ecosystem requires payment in BNXT tokens

Annual fee
100 BNXT tokens

Monthly
10 BNXT tokens

- 50% of fiat payments is used for buying back and burning BNXT tokens
- The remaining 50% contributes to the ecosystem's revenue stream
- 1 BNXT token equals 1 USD until listing on exchanges
- We intend to enable payments in BNXT tokens also in external ecosystems

Real-life benefits of BNXT subscription

Access to ecosystem

Access to integrated ecosystem which brings all the functions together to one place

Anonymity

Anonymity in your online and offline activities

Less dependence

Less dependence on traditional financial institutions - more control over your money

Transactions

Fast and easy transactions that are secure and private

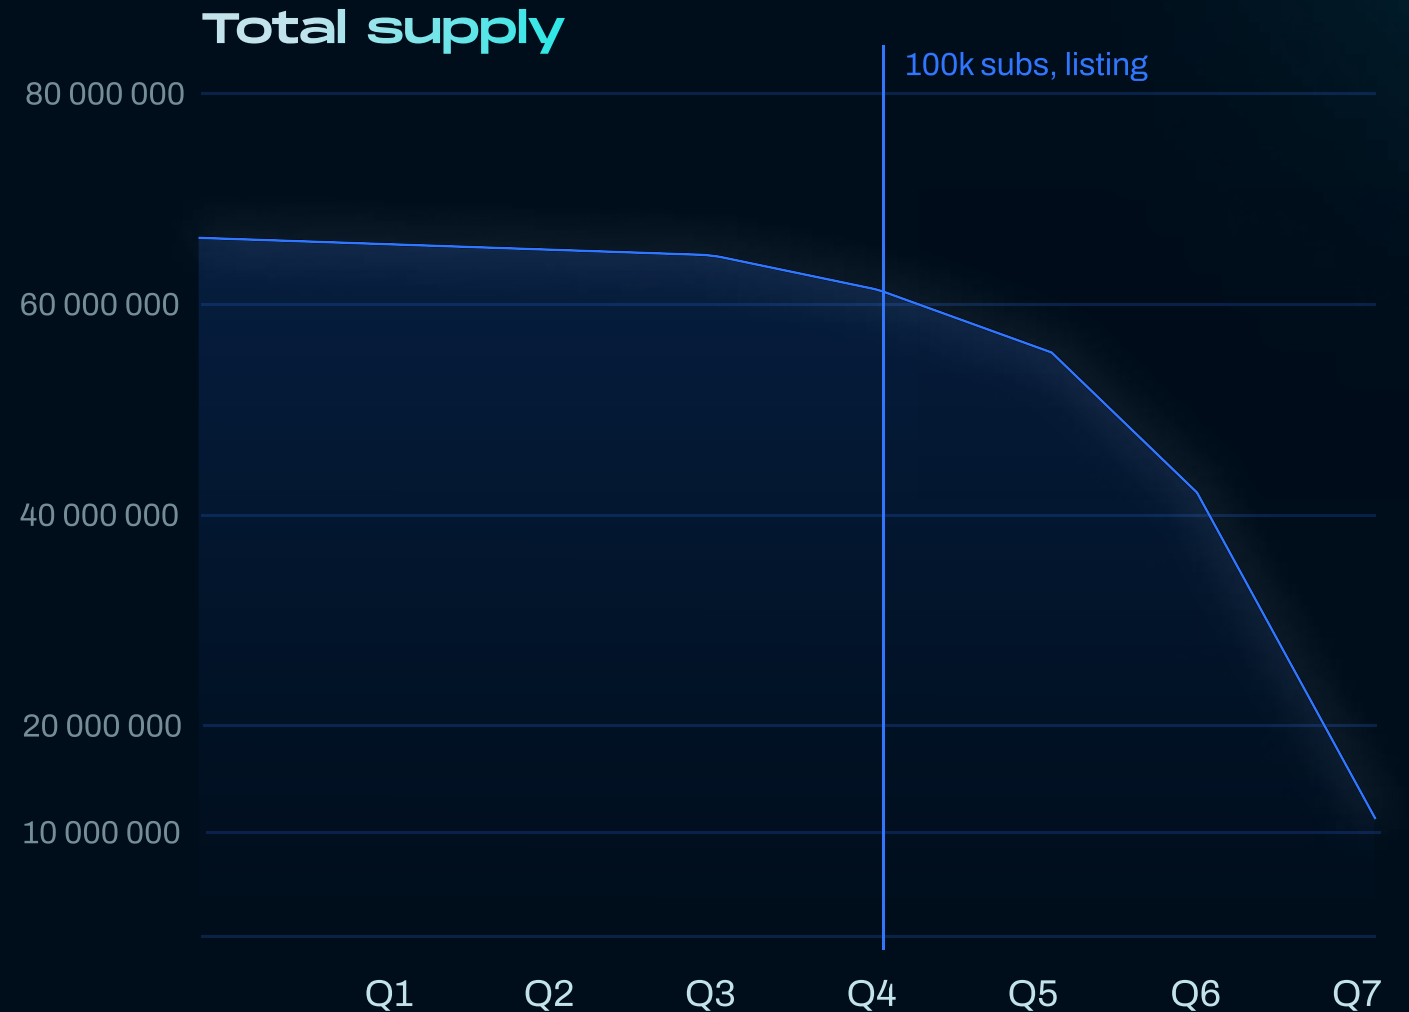

Partnership

Partnerships giving you access to many exclusive discounts and other benefits

BNXT

Token Utility and Rewards System

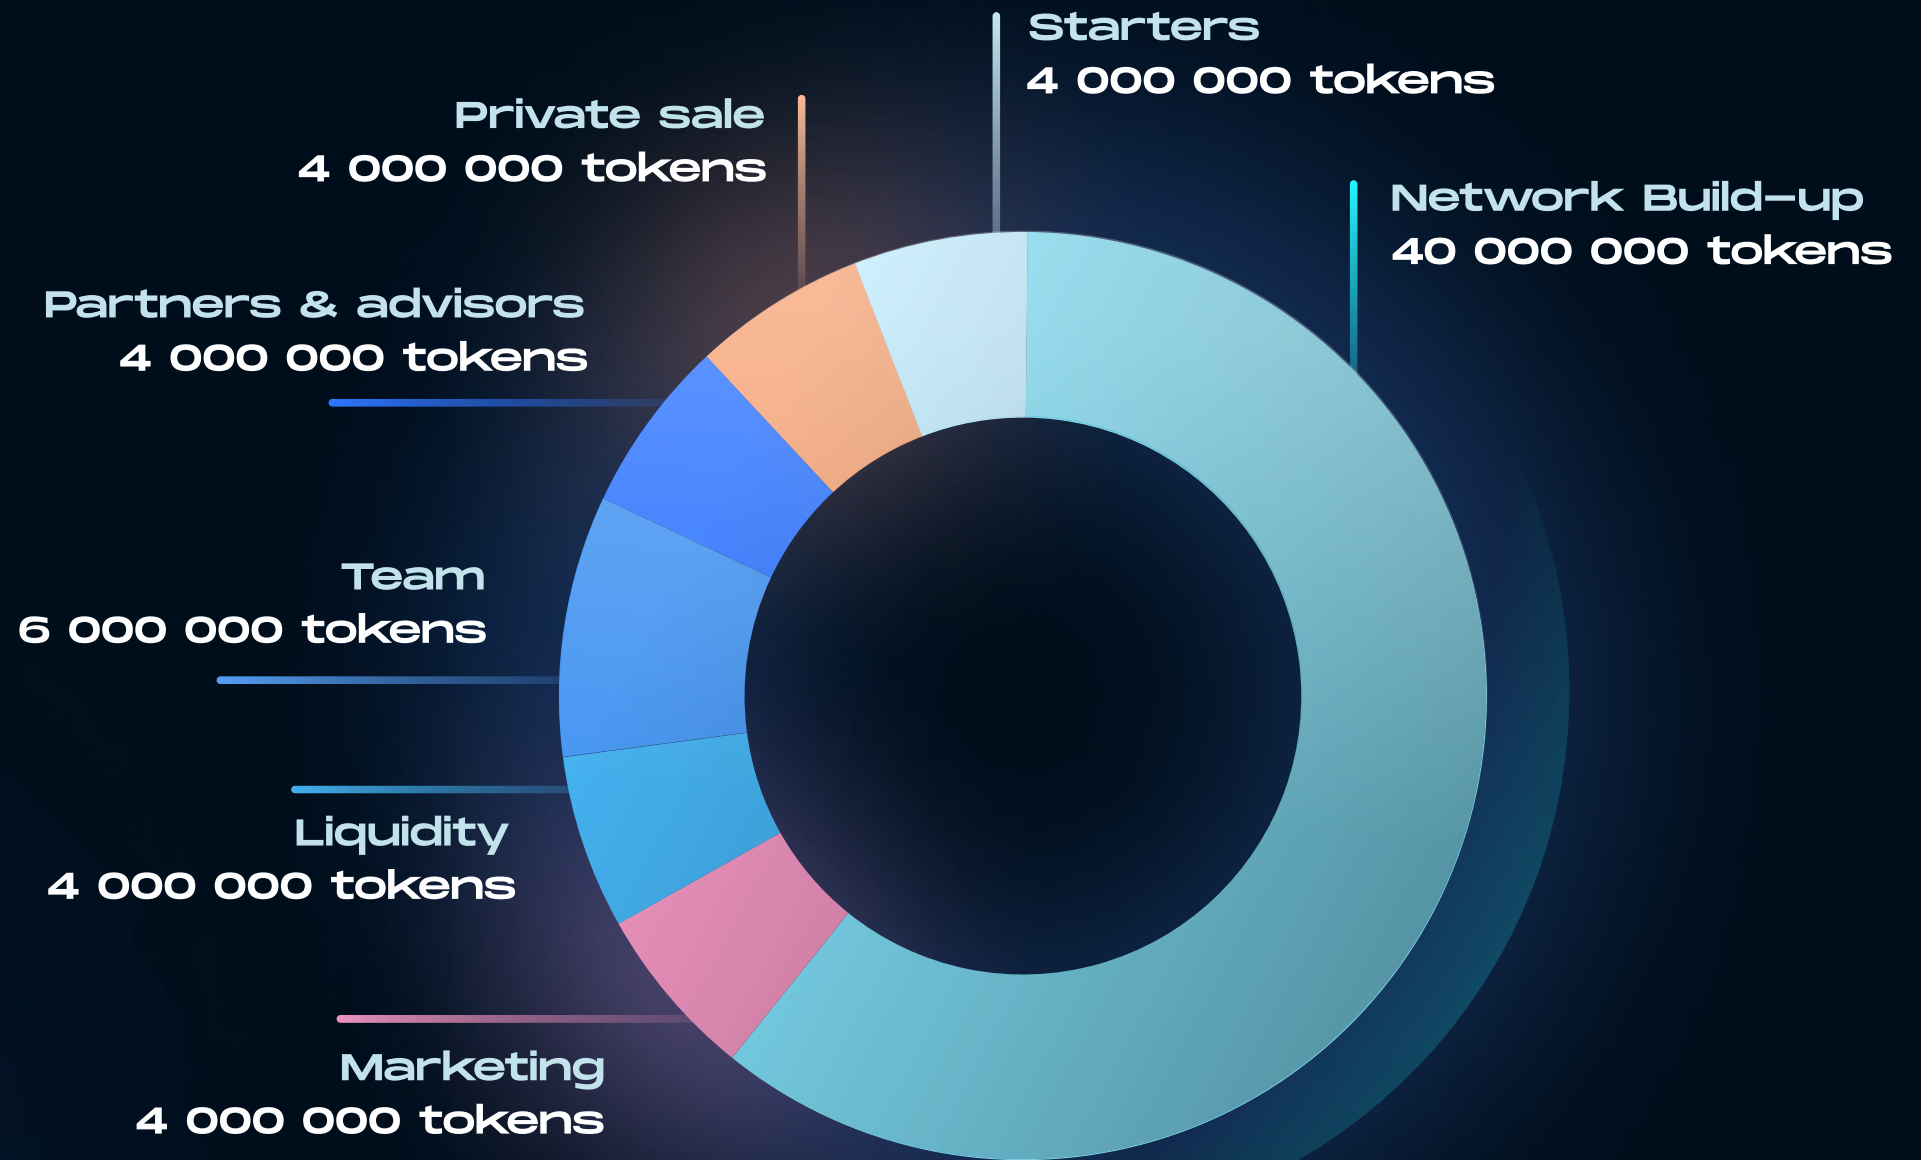

- Purchasing an app subscription with BNXT tokens burns the tokens
- For fiat purchases, 50% of the transaction removes BNXT tokens from exchanges and burns them
- Burning tokens will stop once the total supply reaches 10,000,000 tokens

TOKENOMICS

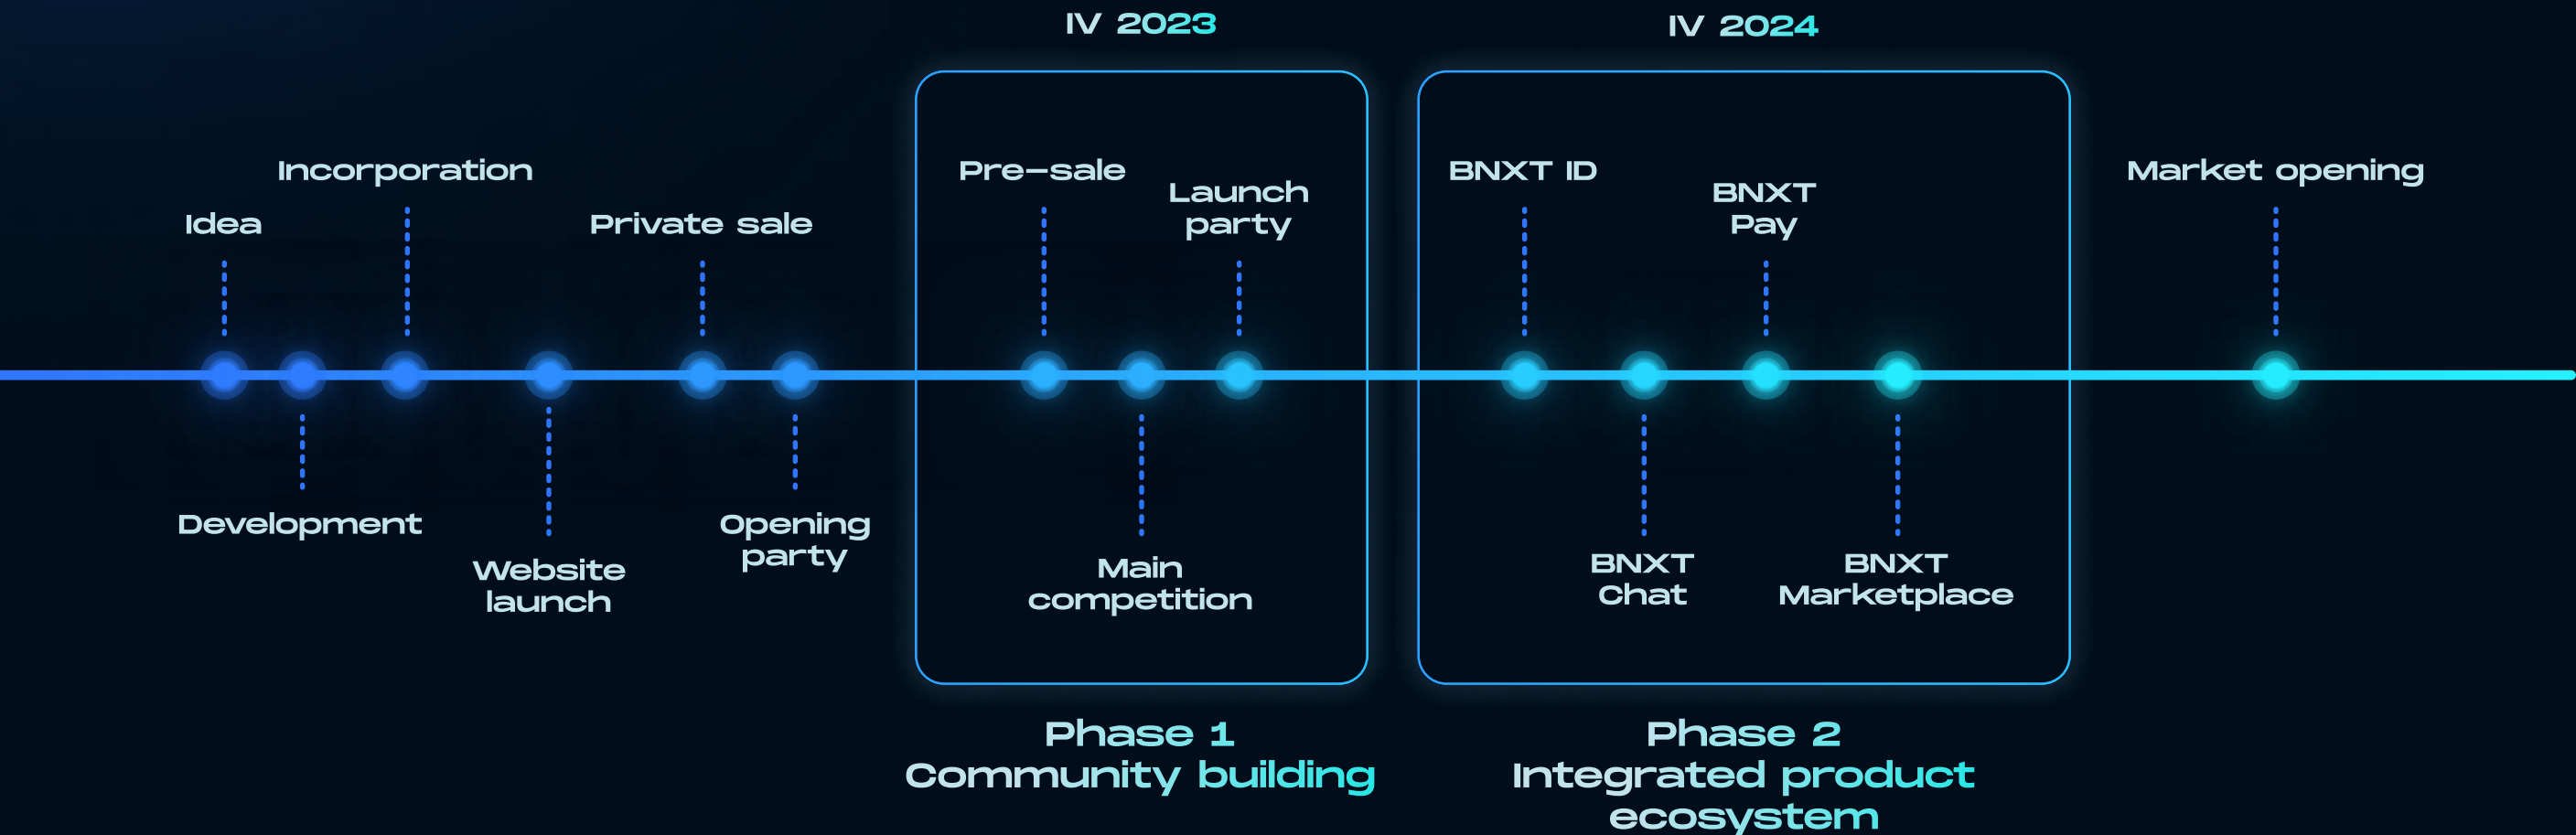

Private sale
1 BNXT = \$0,25

Starters
1 BNXT = \$1,00

Roadmap

Our project roadmap is a **dynamic** and **interconnected journey**, with overlapping phases that shape the transformative path. During the pre-sale phase, users can acquire starter packages and secure one-time multipliers. Additionally, users are invited to pre-order the BNXT Ecosystem subscription for access to comprehensive services and benefits.

Adam Schimke

The background of the entire image is a photograph of a desert landscape. In the foreground and middle ground, there are rolling sand dunes. The sky is a gradient of colors from a deep purple at the top to a bright orange and yellow near the horizon, where a low sun is setting or rising, creating a strong glow. The overall mood is one of vastness and potential.

BNXT is not for the faint of heart.

It's not for those who are content with living an average life and settling for less

Instead, BNXT is for the bold and ambitious individuals who are willing to take risks and bet on themselves. It's for those who want to seize control of their destiny and shape their future according to their own vision.

If you're ready to unleash your full potential and join the ranks of the elite, then BNXT is the perfect ecosystem for you

INFORMATION PROVIDED IN THE DOCUMENT

All information contained in this document has been prepared and presented by the BNXT to the best of their knowledge as of the date of the document's preparation. However, in no event should the information contained in this document be construed as investment advice, advice, or recommendation. Any calculations presented in this document do not constitute an offer within the meaning of the applicable law, and also do not constitute a calculation for such an offer. This document is for information purposes only and presents the main assumptions of the project implemented by the BNXT, the development plan, the implemented technology, as well as the possibilities related to the purchase of \$BNXT tokens. Anyone wishing to make an investment should not rely solely on the content contained in this document. BNXT disclaims any responsibility for the incorrect use of the information contained in this document.

GENERAL JURISDICTION

BNXT has its headquarters in Poland therefore the user acknowledges that any possible claims related to the BNXT project should be directed only to BE NEXT Sp. z o.o. (limited liability company) entity, under the laws in Poland. In addition, the BNXT points out that blockchain technology is still an innovative and modern technological solution, therefore future changes in tax law and different interpretations of the law by competent authorities cannot be ruled out. Any changes in the law may have a negative impact on the activities conducted by the BNXT, therefore, out of extreme caution, the BNXT reserves the right to change the jurisdiction and entity through which the BNXT project is implemented, including the distribution of \$BNXT tokens. At the same time, it should be emphasized that this distribution of Tokens can in no way be classified as an issue of financial instruments - both within the meaning of the relevant regulations in Poland, as well as any other local laws relating to such issues and applicable to the securities, financial instruments or other goods or stock exchange services.

RISK

Before proceeding with the distribution process of \$BNXT tokens, you should first become familiar with the functioning mechanisms of software and applications based on blockchain technology. You should never invest more than you are prepared to lose and you should be prepared to lose all your money. If in doubt about the BNXT project, you should always seek independent legal, tax, or financial advice before taking any steps in the process described in this document. The cryptocurrency market is unpredictable and the BNXT may have to adjust his strategy in response to changing market conditions. Therefore, the BNXT reserves the right to amend this document at any time.
